

Bio4Fuels Days 2024 - Poster titles and presenters

Poster Session: 12 June 17:30 – 19:00 Meeting Room Visio

No.	Title	Presenter
1		Vedant Ballal
2	<i>Effects of free ammonia nitrogen on in-situ biomethanation and microbial communities</i>	Aryan Bhusal, USN / NIBIO
3		Cristian Bolaño Losada
4		Carlos Dinamarca
5		Nikalet Everson
6	<i>Oxidative Ethanol Dry Reforming Over Co/Al₂O₃ Catalyst For Syngas Production</i>	Fahim Fayaz
7	<i>Chemical Looping Gasification: A better alternative to conventional systems?</i>	Avishek Goel – Doctoral Researcher, Tampere University
8		Tero Joronen
9		Thomas Pielhop
10		Roman Tschentscher
11	<i>Sustainable Management of Sewage Sludge using Hydrothermal Process</i>	Tan Vo, Tampere University
12	<i>2-Naphthol impregnation prior to steam explosion promotes LPMO-assisted enzymatic saccharification of spruce and yields high-purity lignin</i>	Anikó Várnai, NMBU
13	<i>Soft modelling of spruce conversion into bio-oil through pyrolysis–Note I: steam explosion and LPMO-activated enzymatic saccharification</i>	Matteo Gilardi
14	<i>Soft modelling of spruce conversion into bio-oil through pyrolysis–Note II: pyrolysis</i>	Matteo Gilardi
