

Dear Prof. Marius Grønning
Institutt for landskapsplanlegging
Norwegian University of Life Sciences, Oslo

Porto, January 25, 2016

On behalf of the Association of European Schools of Planning (AESOP) we are pleased to present to you the **AESOP CERTIFICATE OF QUALITY** granted to the **Master programme in Urban and Regional Planning** offered by the **Norwegian University of Life Sciences, Oslo**.

This programme fulfils the European quality standards of planning programmes according to the AESOP Charter, complemented by an effective internationalization of teaching and learning processes.

The Excellence in Education Board and the whole of the AESOP community wishes to extend our sincerest congratulations to you and your University for receiving this certification of Excellence in Education.

Sincerely,

Francesco Lo Piccolo
AESOP President

Paulo Pinho
AESOP Secretary General
