

Topic/Title (Norwegian)

Temaer innen bærekraftige matsystemer

Topic/Title (English)

Topics within sustainable food systems

Summary

Through the projects LIVESTOCK and NewTools, and the NMBU arena for sustainable food systems, we have several topics (and data) that could be available for MSc theses. The specific topic will be discussed with the student to fit with the student's interests and subject portfolio.

Language thesis (Norwegian and/or English)

Norwegian or English

Bachelor or Master thesis

MSc (or BSc)

Credits

30 or 60 (or 15 if BSc)

Project/company

LIVESTOCK (<https://www.nmbu.no/forside/prosjekter/livestock>)

NewTools (<https://www.fhi.no/studier/newtools/>)

NMBU Arena for Sustainable Food Systems
